Gentlemen

I saw the decorations referred
to in yours of 11th inst.
I only collect medals that
are given for actual service,
that I can trace in history,
& look upon as an object
lesson, to fix the date & exact,
in my mind by. Most of
the decorations you have thus
far sent to Mr. Stenous were
not of such nature, hence
useless to me. I have been
collecting medals for 20 years
& can cover all events of
importance since & including
Nap. I. but have never paid
any fancy price, not wishing
to set prices for at all. I
have found those sent here

too high for me. I can
wait until they come my
way and at a very price.
My collection has probably
grown very slow. but it always
leaves something to hope
for. I would like a
medal that covers the
ground of Greece throwing
off the yoke of Turkey in
1830. Also a full size (have
a fatigue size) of Belgium
struggle 1830. against the
Netherlands. If you have either
of these send descrip' &
price & Address

Respectfully
C. A. Hays

A handwritten signature in dark ink, appearing to read "C. A. Hilpert". The signature is written in a cursive style with a large, prominent "C" and "H".

P.S. - It will be a long story to tell you what my wants are in the medal line . I can only tell when I see some offered, what I want out of that lot .
